Important information

Some Origin electricity prices for Queensland changed from 1 July 2011. If this change affects you, it will be set out in the usage details on this bill.

BE WARY OF ENERGY OFFERS THAT SOUND TOO GOOD TO BE TRUE.

There are lots of offers out there, but don't be fooled. Most comparison websites work on commission, so may not offer the best deal for your area. Always read the fine print - some long term contracts lock you in for up to three years with high exit fees. At Origin we like to watch out for you, so check with us first. We've got a range of deals so you can avoid the hassle of switching.
